

## Do Kids Still Paddle in The Trym?

*'Home, now is here', for we've travelled far,  
Two sons, a girl, and the latest car,  
But often I have a recurring dream  
Of standing by a village stream  
So I write to ask, tis but a whim  
Do kids still paddle in the Trym?*

### Acknowledgement

'Not much money but we did have fun' by Agnes Skyrme.
